

TWILIGHT CELEBRATION FIREWORKS

LED DIGITAL STAR LIGHTING

Epic Sky's Celebration Fireworks Kit is our most exciting new kit for visual drama. **Featuring a colorful lighting burst effect with random colors.** Make every night like the fourth of July!

This kit is designed to be a star kit or a custom effect kit

INSTALLATION IS SIMPLE AND EASY!

- 1 Position template to your chosen surface and drill the firework burst pattern.
- 2 Insert the fibers into the holes and glue into place.
- 3 Screw the pre-made fiber head into the Celebration Firework module then turn it ON!

You can trim the fibers flush after your final coat of paint. Intervals of your desired effect can be adjusted through DIP switches on the back of the Firework module.
